

The Hayward Education Foundation is a non-profit organization (501(c)3) whose purpose is to enhance the educational opportunities of students in all Hayward schools. We achieve this by funding innovative classroom projects which improve student skills as well as encourage a life-long love of learning. Since 1983, have given over \$1,250,000 to Hayward classrooms. This would not be possible without the generosity and support of Sponsors like you.
